## Study Distribution

**Single Group Distribution.** When you purchase any Flow Research study, you are entitled to share this study with up to three people within your management group. This is true whether you purchase a PDF file or the hardcopy version.

**Companywide Distribution.** You can share a market study with any number of individuals and groups within your firm in both PDF and hardcopy. Companywide Distribution capability is available for an additional \$2,500 for each study. Companywide Distribution does not include posting the study on your company's Intranet. Contact Flow Research for details on Intranet posting.

Companywide Distribution does not apply to companies that own three or more separately incorporated companies. If this case describes your company, please call for details.

Please let us know if you have other special requirements.

## Placing your order

You can order by phone by calling a number below. We are always pleased to talk with you.

You can also fax or email your order using the information listed below. Please be sure to include your email address so we can send you a confirmation of your order.

We accept VISA, MasterCard, Discover, and American Express. Other easy payment methods are also available.
